

**SEPTEMBER 2014 UPDATE  
FROM  
THE WILHELM REICH INFANT TRUST**

**STARTING IN A FEW WEEKS:**

**A KICKSTARTER\*  
FUNDRAISING CAMPAIGN**

**TO RAISE MONEY FOR  
A FULL-LENGTH DOCUMENTARY FILM  
ABOUT WILHELM REICH**

**A factually-accurate storyline has been written for a 100-110 minute documentary film about Reich, the product of over four years of research by Kevin Hinchey, a director of the Wilhelm Reich Infant Trust.**

**This film story is based on over 7000 pages of Reich's publications, thousands of unpublished pages in Reich's Archives at the Countway Library of Medicine at Harvard University, all U.S. government files on Reich (State Department, FBI, FDA, Immigration & Naturalization Service), all of Reich's legal files, and many other primary resources.**

**With the research and writing of this documentary completed, we are now preparing to launch our Kickstarter fundraising campaign to raise the money necessary for the actual production of this film. Look for our next update in a few weeks!**
